

## BRIAN & URSULA JENSEN CLINIC MAY 29<sup>TH</sup> 2010

An INDS sponsored event at Teddy Bear Fjords

Brian and Ursula have owned and operated Trinity Fjords in Lumby, B.C. since 1983. After some years driving and competing in draft classes they switched to carriage driving and CDE's. After two years training Brian and Ursula were carded in 1995 by the Canadian Equestrian Federation as Driving and Draft Judges. In 2002 Brian received his NFHR Evaluator status for Conformation, Riding, Driving and Draft. Ursula went on to edit and publish the first NFHR Record Book and act as Editor for the Pacific Northwest Fjord Group for five years.

Together or apart they have held clinics in many parts of the USA and Canada, They have audited or Judged Fjords in Denmark, Norway, and Germany. Brian has worked in Germany as a trainer teaching horses and people to drive. At Trinity Fjords in the summer months they provide Driving Training packages using their five schooling horses. To date they have held 45 Training Packages for interested people at their farm.

Their primary focus is overall safety, and promoting a positive and correct relationship between the horse and the handler.

Event sponsored by the Inland Northwest Driving Society
